(Retreats, Advances, Overage, Male Players)

### **Preamble**

Sections A to E that follow deal with Overage Players, Male Players, Team Retreats, and Team Advances within Black Gold League play only.

### **Please note the following:**

- 1. Sections A and B deal with approvals of individual players therefore separate submissions of pages 2 and 3 must be provided for each player. Forms that contain more than one player request on it will not be accepted as the BGL will only approve each player individually.**
- 2. Section C deals with Team Retreats. Pages 2 and 3 must be submitted.**
- 3. Sections D and E deal with Team Advances by Self or Other. Pages 2 and 4 must be submitted.**

The deadline for submission of any of these requests is the date of the re-pooling meeting (see BGL League Calendar - Appendix F). No submissions will be accepted after this deadline.

**Note:** The BGL Executive recommends that Associations make submissions prior to the deadline to ensure that any additional information required can be obtained before the deadline.

The BGL Executive will make a ruling on the individual request and provide a written acceptance/denial of that request prior to the start of the second session of play. Please note that the decision of The Executive is final and no further appeals will be heard.

Submissions must be mailed or hand delivered (hard copy original - if possible) to the attention of the Black Gold League Secretary. Information will then be forwarded by the BGL Secretary to The Black Gold League Executive for review. The BGL Executive will discuss the submission with the Association Representatives at the BGL meetings.
